BALTIMORE
FOOD TRUCK ASSOCIATION

BALFTA

Mobile Catering

Who We Are

The Baltimore Food Truck Association specializes in full-service mobile catering and grab-and-go indoor food service for organized, high-volume events. We connect clients with a trusted network of local food vendors to deliver reliable, well-coordinated food service experiences.

Whether supporting corporate teams, campus events, community gatherings, or workforce programs, we provide structured catering solutions designed to adapt to a wide range of environments, schedules, and service needs.

We provide structured, reliable food service solutions for large-scale events.

- A curated network of licensed and insured food vendors

- Purpose-built for an organized, high-volume catering and event service

- Supported by an experienced operations team managing logistics end-to-end

What Makes Us Different

01 **Scale-ready operations**

Experienced supporting events serving several hundred to several thousand attendees

02 **One point of contact**

We manage vendors, timelines, communication, and logistics through a single, reliable process

03 **Vendor accountability**

Vetted food vendors with clear expectations and structured coordination

04 **Attendee-first experience**

Efficient flow, clear service structure, and menus designed for speed

Built for High-Attendance Events

- Experience supporting large, organized events across a variety of settings

- Designed to operate around defined service windows and high foot traffic

- Flexible service approaches that adapt to different layouts and environments

- Structured planning that prioritizes clarity, efficiency, and flow

Experienced with events serving several hundred to several thousand attendees.

End-to-End Support

Pre-Event Planning & Coordination

- Vendor curation and scheduling
- Menu planning for volume and service efficiency
- Vendor communication and confirmations
- Insurance and compliance collection
- Site layout, flow, and timing planning

Day-Of Execution

- Sequenced vendor arrivals and setup
- Managed service windows to support steady flow and reduce wait times
- Real-time vendor oversight
- Smooth breakdown following service

Our goal is to make food the easiest part of your event.

Menu Strategy

Designed for Speed, Volume, and Choice

- Pre-selected menus optimized for fast service, without sacrificing quality

- Sequenced service to minimize wait times

- Built to accommodate dietary needs and preferences at scale

- Portion planning to support demand while minimizing waste

Event Environments We Support

We support a wide range of organized events across Baltimore, adapting our food service approach to fit each environment, layout, and audience.

- ✓ Corporate Campuses
- ✓ Healthcare Facilities
